

Hair & Scalp Treatment Product List

Lightening Cream for Body & Facial Hair

Product Description

Our body hair lightening cream is suitable for use on your face and body.

Each product package contains a 30ml or 100ml pot of lightening cream with an accelerator, an application spatula and mixing basin.

It is a high-quality cosmetic manufactured under strict pharmaceutical procedures in our laboratories. This product is a decolourant and can transform dark hair to a lighter shade effectively and safely.

For a top-up, product re-application is recommended every 1-2 weeks depending on personal preference.

Ingredients

Aqua, Ammonium bicarbonate, Glyceryl stearate, Hydrogen peroxide, Cetyl palmitate, Paraffinum liquidum, Propylene glycol, Cetearyl alcohol, Stearamidopropyl dimethylamine, Silica, Phosphoric acid.

Available Presentations

- 30 ml tub
- 100 ml tub

MOQ - To be advised

Hair & Scalp Treatment Product List

Hair Therapy Shampoo - for reconstruction & thickening

Product Description

This product contains natural ingredients such as Argon Oil, Saw Palmetto and Reticula Fruit Extract. These vitamins can encourage healthy hair growth and can increase the appearance of hair thickness. Saw Palmetto targets the DHT molecule, which shrinks hair follicles and cause hair-loss/thinning.

Argon oil contains proteins and antioxidants that can improve the elasticity of the hair and can promote longevity.

Reticula Fruit Extract is a source of vitamin B which has anti-fungal and antiseptic properties. This vitamin can encourage positive scalp health whilst also contributing toward the fresh and reviving citrus fragrance of our Shampoo.

Our Shampoo is a high-quality cosmetic manufactured under strict pharmaceutical procedures in our laboratories.

Uses

To treat conditions such as male and female pattern baldness, alopecia, hair-loss due to menopause, hair thinning, follicle damage. Also used to thicken and provide volume to thin hair.

Ingredients

Aqua, Sodium Lauroyl Sarcosinate, Lauryl Glucoside, Cocamidopropyl Betaine, Serenoa Serrulata Fruit Extract (Saw Palmetto), Citrus Reticulata Fruit Extract (Tangerine), PEG - 120 Methyl Glucose Dioleate, Cerus Deodara Wood Oil, Glycerin, Oil Rosmarinus Officinalis Leaf Oil, Salvia Officinalis Oil, Sodium Chloride, Argania Spinosa Kernel Oil, Hibiscus Syriacus Bark Extract, Phyllanthus Emblica Extract, Ferrous Gluconate (Iron), Niacinamide (Vitamin B3), Guar Hydroxypropyltrimonium Chloride, DMDM Hydantoin, Parfum Magnesium Nitrate, Polyquaternium - 10, Citric Acid, Disodium EDTA.
